VAL D'ISÈRE

APARTMENT LE NEIGE

Let's go to Val d'Isère!

Situated at an altitude of 1850m, the Val d'Isère ski resort is considered to be one of the best ski destinations in France. Val d'Isère owes its reputation to its range of luxury services available to all. Elegance, quality and well-being are the watchwords here, attracting skiers from all over the world every winter to enjoy an exceptional area combining Olympic and World Cup slopes, a multitude of off-piste spots and a wide variety of runs. You can also enjoy a host of other off-ski activities, including hiking, moonlike, snowmobiling, dog-sledding, snowshoeing and much more. Recharge your batteries, fill up on oxygen and enjoy the great outdoors!

The apartment has a kitchen open to the spacious living room that offers a cozy and refined decoration. With a stunning view on the snowy mountains, you will spend pleasant and relaxing moments.

The apartment offers a double bedroom en suite, as well as a mountain corner with two bunk beds. The rooms are all as cozy as each other, while the wood adorns the walls and light textiles bring a cocooning note. Your children will be able to settle in their cozy-rustic room, typically Savoyard, where they will have access to bunk beds thanks
